

And the reason being that **One Cotroceni Park** is an extensive development that aims to breathe new life into a long forgotten industrial area - **One United Properties'** most ambitious **urban regeneration vision**. With over **15,000 sqm**, **total retail area** and **more than 850 living apartments**, displayed in a green environment, crossed along by walking alleys, running and biking tracks and ample playgrounds, the entire park earns its name as a heart beating centerpiece of the entire complex.
